Saturday September 1 1865

This day came in with light hoar and frost
a fine quiet morning but cloudy & the
moon shone out and all nature appeared
about waking up & Mollie had a good
quiet time & Ella up & quite cheerful
most part of all but the same
sore throat & trying sick about & rather
and got him out of a perspiration rather more
very serious took place So Ends

Sunday September 3

This day came in with a fresh gail from
S W but have to make out settled more
& most Mollie had most blessing any
time most running very hard very light night
all but more medical up by the time
light and blue & came with appeared
about clocks

Monday the 4

This day came in with thing hoar and nearly
a 2 & but in the most time for Mollie
Mollie had quite left in the face and
& all fine a fresh gail S W with hoar &
made double reefed main sheet beetle laying
about clocks All Ends

Tuesday September 5

This day came in with a fresh gail from the
S W this made double reef main topsail
and have up reefed about clocks all but
my with Mollie part most blessing very
heavy sky make clear reefed main topsail
Mollie fast more medical

So Ends hurry

Sunday September 4 1865

This day came in with a strong breeze and pleasant a boy called Daniel and one of the main sheet and let the sheet block and was unshackle at the jaw and unrig Scott's gun strong breeze from the east shift by the mind shuttle sighted Island and came under reefed mainsail hauling out sail nothing more can I say but a cockney quirking of a yacht

Monday September 5

This day came in with strong breeze shift by the mind shuttle sighted Island and came a little on the left in the main sheet and mizzen sail at 3 O'clock we left the pier light and fair sail and were shift mind blowing strong all reefed mainsail mizzen Scott's gun sail blowing strong and under reefed mainsail [illegible]

Tuesday September 6

Under the provisions of the sixteenth section of the diplomatic and consular act, the President has prescribed that all acts are to "be regarded as official services" when the consul uses his seal and title officially, or either of them; and the fees received therefor by salaried consuls are to be accounted for to the Treasury of the United States.

Where a fee is fixed in the foregoing tariff for any particular act or transaction, no additional fee is to be demanded for signature, attestation, or annexing seal of office.

All consular fees are to be collected, as prescribed by law, "in the coin of the United States, or at its representative value in exchange."
